Guns Blaze In Three Incidents Saturday Night

Three Rockdale shooting incidents in less than half an hour Saturday night left one man dead, a Rockdale policeman wounded and a 30-year-old Rockdale Negro charged with two assaults with intent to murder.

Dead was Sgt. Reggie Mack, about 34, Negro, of Fort Hood.

Wounded was Rockdale Patrolman Dick Tuma, who is recovering in a Temple hospital from shotgun wounds.

Charged with two assaults with intent to murder was Obbie Mack, about 30, Negro of Rockdale, brother of the dead man.

Obbie Mack is in Milam County Jail today. Bond was set at $10,000 for each charge of assault with intent to murder, according to Sheriff Carl Black.

Reggie Mack was killed in a scuffle with Rockdale Constable Ollie Cook at Obbie Mack's house. Black said that Cook and Patrolman Tuma both fired on Mack

JP Judge Leonard Allen held an inquest Saturday night before Sgt. Reggie Mack's body was taken to a funeral home. Funeral services were held Wednesday in Rockdale.

Black said an argument between Sonnie Hurt, Rockdale filling station operator, and Obbie Mack over a $30 gas bill apparently started the fireworks.

Black said that the charges of assault with intent to murder Sonnie Hurt and Dick Tuma were filed in District Court over the weekend.

$265,111 Budget Set For Cameron

Council Views Applications For Police Chief

Copyright 1960,
The Cameron Herald

A $265,111.71 city budget was presented in a public hearing at City Hall Tuesday during a regular City Council meeting. It goes into effect October 1.

The Council also reviewed several applications for police chief and called for further checks on some of the applicants.

City Councilmen had approved the 1960 - 61 budget in an earlier reading after a special budget planning session.

Valuations in the new budget, largest total budget in the city's history, were reduced by $20,545 to $5,328,360.

The general fund budget totaled $147,173.14, compared to the 1959-60 general fund budget of $143,224-.69.

Other major budget totals include anticipated revenue of $93,-677.35 for the Cameron Water Dept., $22,072.69 for the Cameron Sewer Dept. and $2,564.42 for the Municipal Swimming Pool.

The 1959-60 budget year had $263,701.23 in funds on an anticipated budget set last fall of $254,-211.71.

The general fund this year includes carryovers of $26,456.56 from the general fund and surplus street paving funds of $2-943.65.

Major items in the general fund are $64,370.13 from the $1.60 tax rate, plus carry overs and $82,803.01 income from various tax and collection sources plus transfer of bond money from 1957 sewer and water bonds.

City officials listed four special projects in the budget for completion during the new fiscal year.

They were: installation of a 36-inch storm sewer from 10th to 11th Street, cost $1,731; E. 11th Street paving from Lee to Jackson, cost $1,668; Newton Memorial Hospital, paving, curbing and gutter, cost $2,188; and removing culverts and correcting drainage, $1,000.

Major department budgets include: street department, $37,816; sanitation, $17,423.47; cemetery, $2,096; recreation $2,825; police department, $22,390; fire department $5,875; office expense, $4,-705; law department, $3,000; and officials salaries, $15,990.

And final items in the general fund budget included $9,000 for the new fire truck fund, $1,215.51 for street paving notes and a $4,-045.40 contingency fund.

In the police department budget, increased salaries were provided for night patrolman and regular patrolman, radio dispatcher and meter man. Total yearly salary increases authorized by the budget for the police department were $2,480.

City cash balances listed in the approved budget are: general fund, $26,456.56; street fund, $2,-943.65; water department, $22,757 05; sewer department, $8,037.50; swimming pool, $604.42.

In other action, the Council declined sale of a city lot and called for City - Atty. Charles Smith, Jr. to outline an electrical ordinance. Also approved was a request from John Schigut and Narvie Caperton, Cameron merchants, who asked that downtown parking meters be covered during dollar day as an added attraction to the monthly Cameron promotion.

Alcoa Announces Promotions For 3 Rockdalians

Promotions for three Rockdale Works Alcoans effective October 1 were announced this week by Works Manager R. R. Sugg.

M. C. Perry, Aluminum Plant Superintendent at Alcoa's Rockdale Works, will become Works Production Manager. S. A. Jones, who is Chief Metallurgist at the Plant Superintendent; and R. D. Hornbeck, now Assistant Carbon Plant, will become Aluminum Chief Metallurgist.

Perry has been Aluminum Plant Superintendent since September of 1955. He joined Alcoa at the Badin, N. C., Works in 1942. He was Development Engineer at Alcoa, Tenn., Works before coming to Rockdale in 1952 as Potroom Superintendent. He is a member of the Rockdale school board and is active in many civic activities.

Jones first became an Alcoan in Tennessee in 1948 after graduating from Alabama Polytechnic Institute. He was a Staff Engineer and a Development Engineer at Alcoa, Tenn., before coming to Rockdale in 1952 as Rodding Room Supervisor. He was made Chief Metallurgist in 1953.

Hornbeck is a native of the State of Washington. He went to work for Alcoa at Vancouver Works in 1949 and served there as Technical Assistant and Staff Engineer until 1955 when he transferred to Rockdale Works as Assistant Carbon Plant Superintendent. He has been active in Lions Club, PTA, and other civic activities in Rockdale.

Yoemen To Meet Elgin Wildcats

The Cameron Yoemen grid team will match wits with the Elgin Wildcats here tomorrow night. The contest will be Cameron's 4th of the year. They are looking for their 3rd victory.

The season's first game was lost to West, 26-18. The Yoemen topped Rosebud 25 - 0 and Rogers, 40-0.

The Wildcats will field a starting lineup that averages 165 pounds; the Yoe starters average 167 pounds. They post a 1-2 won-lost record.

Coach Bill Bates told the Herald that there was still question whether quarterback Jimmy Woodum would see action or not. He missed last week's game due to a foot infection.

If Woodum doesn't play, Carol Fikes will remain at the quarterback spot and Earl Morgan will fill in his halfback position.

End David Barkemeyer has been ill and may not see action. Johnny Richter will be his fill in. Bobby Hillman or James Edwards are tossups at the tackle slot.

Bates credited Edwards work in last week's game when he led the blocking for Bayer's touchdown drives.

Here are the probable starting limeups for both teams:

OI' 101

With F. M. L.

Anyone that doesn't believe genteel ladies can rise to a dangerous occasion should be impressed by the experience of Miss Jean Adams, of Buckholts.

Soft - spoken Miss Adams heard a commotion in the vicinity of her garage noon Monday. Some of her guineas were raising a fuss.

Arming herself with a shotgun, she went out into her garage and found two rattlesnakes there.

She shot several times with the single - shot weapon, killing two rattlesnakes in the barrage. One had 10 rattles and the other eight.

Miss Adams said she suspected the trouble when the guineas started cackling. She had spent most of the morning beating out a grass fire on a neighboring lot. The fire had driven the snakes out into the open.

101 - 101 - 101

Cayce Moore, the noted humorist - philosopher from Hearne, spoke on the history and importance of speeches before a crowd of Cameron Lions and guests Monday.

Citing the power of the spoken-word over great masses of people, Moore listed seven speeches he termed the most powerful in history:

1. The Sermon on the Mount
2. Paul's speech to the Greeks on Mars Hill
3. Patrick Henry's speech ending with "Give me liberty, or give me death!"
4. The Gettysburg Address by Abraham Lincoln
5. Mahatma Gandhi's "Speech of Non - Co - operation."
6. Winston Churchill-s war - time speech of "Blood, Sweat and Tears."
7. Pope Pius XII's speech in the early stages of World War II on "Peace."

Moore quoted American poet Walt Whitman (author of Leaves of Grass) in comparing the speaking abilities of the 1960 presidential candidates: "Whoever speaks to me in the right voice, him or her I will follow."

New Pressbox Opened At YHS

Cameron now boosts as fine a press box as any high school in Central and surrounding Texas cities.

Construction was completed last week on the new press box which is located in the same site as the old one at Yoe High Stadium. It is a 33 by 8 enclosure with seating capacity for at least 25 people.

The press box started as an action of the school board due to the inadaquate size of the old box and lack of safety.

Plans were drawn up by Frank Heitman, an engineering draftsman and a school board committee. The committee visited stadiums in the surrounding area for advantages of modern press-boxes and then decided on the existing structure .

Bids were called for in late July and construction started on August 10 and was completed in 30 days.

There are four compartments within the structure, each isolated from the other. The include a general press area for reporters and scouts, a public address booth, a radio booth and a Camera deck atop the roof. The deck is enclosed to protect cameramen and equipment in bad weather.

There is an elevated observation section the length of the press-box and a disappearing stairway for easy access to the camera deck.

Air conditioning, contributed by the Lions Club of Cameron, florescent lights and modern heating are also included.

The public address system is working with an amplifier contributed by the PTA last year.

The old press box would seat a crowded 13 persons and had no heating facilities.

Budget Group To Give Report On Fund Agencies

The budget and admission committee of the North Milam County United Fund met Monday night to consider agencies to be included in the 1961 United Fund Budget.

Representatives of the following groups presented their requests: Girl Scouts, American Red Cross, Boy Scouts, Salvation Army, Area Charities, Cameron Public Library and the Texas United Fund.

The committee will recommend that these agencies be included in the 1961 budget and definite amounts for each agency in their report to the North Milam Fund Frank Luecke chairman, Mrs. Guy Board of Direcotors, of Chairman Jack DuBois said.

The directors will meet Monday night and will consider the recommendations of the budget and admission committee.

All of the agencies approved, with the exception of the Texas United Fund, have been in the United Fund's budget in previous years.

The Texas United Fund has requested a small precentage of the quested a small precentage of the United Fund's budget. The amount allocated will be divided among nine national agencies, including the USO, National Probation and Parole Association and others.

Richard Moseley, general drive chairman, meet with the budget committee and stated that the tentative budget could be easily met with the proper co - operation of all North Milam County citizens.

The directors meeting next Monday night will set the dates for the drive as well as name division chairmen.

Committee members are Richard Williams, DuBois and Moseley.

Compress Reports 9,000 Milam Bales

Cameron Compress reported about 9,000 bales ginnedt hus far in Milam County.

Compress Manager P. W. Davis said that quality is running even and about the quality expected this year.

Total bales expected to be produced in Milam County this year will be about 15,000. Last year 17,000 bales were produced.

Cotton production had fallen off prior to September 1 because of heavy August rains. But dry weather during the past three weeks has pushed cotton ginning to a near 24-hour basis.

It has not rained in September.

The surprise birthday dinner for Milo Andersen, given by Mr. and Mrs. Herman Lange in their home last Thursday evening was a complete shock to him. He had pulled corn all day and hadn't even realized that it was his day.

The Rev. Dill of Giddings was guest preacher at the Gause Baptist Church Sunday. He and Mrs. Dill had dinner with Mr. and Mrs. James Harris. Herman Bulman, pastor of Gause Methodist Church was also a guest at the Harris table.

Mr. and Mrs. Lynn Reese received a call from their son - in-law, Paul Cooney, Saturday telling them of the very serious condition of their daughter, Jessie Dixon Cooney. She received severe burns over 73 per cent of her body when she struck a match in her trailer home and a gas explosion followed. The trailer was completely destroyed and everything burned. Jessie is receiving treatment in Crowley, La.

Mrs. Vernon (Norma) Kerns was honored Thursday evening with a pink and blue shower at the Dudley Varner Annex with Mrs. Wiley Kirk and Mrs. Jack Deason acting as hostesses. The gift table was covered with a white cloth and an arrangement of pink roses in a white vase added to its attractiveness. The refreshment table was centered with the punch bowl and pink and blue cakes approperately decorated.

Joe Brown and Emma Wilson of Houston are spending a few days vacation here with Mrs. Ola Hafley and family. They spent the weekend in Austin with their daughter, Betty, who is attending Texas University.

Mrs. Juanita Thomas of Cameron spent the day here Friday visiting with friends and attending to business. She is beginning to feel at home in Cameron but still enjoys keeping in touch with Gause and the people. She has decided to sell her home here.

Mrs. Oris Partridge continues to improve but is still not able to be up and out much.

Johnny Ryan, son of Mr. and Mrs. Harvey Springer, was at home this week from the Navy. He left Monday morning by bus to detour by Steamboat, Colorado where he will spend a few days with his brother, Charles Ryan, enroute to San Diego, California where he will continue his training. He is well satisfied with his situation and happy with his future prospects of schooling in his line of work.

Mrs. Mayme Moore was wreathed in smiles Saturday afternoon as she announced the arrival of a new granddaughter. She was not sure but thought that the parents, John Terry and Lucille Moore, would name the young lady Lisa Denise. She was born Saturday, Sept. 17 and weighed a few ounces over six pounds in Dallas where the Moores now live.

Mrs. Lizzie Kirk has returned home from a visit with Mr. and Mrs. Clifford Mabe in Beeville.

Mrs. Nettie Lange attended the Homecoming at the Forest Grove Church Sunday. This is an annual event and she saw many friends she had not seen in some time.

Mr. and Mrs. Wiley Kirk enjoyed a visit from his sisters, Mrs. H. J. Beacham of Abilene and Mrs. Henry Hill of Cameron Sunday.

Howell Peel was visiting with friends on the street Monday morning. He still lives in Milano but it was his first trip to Gause in some time.

Bobo Todd of Houston and Mrs. Susie Dent of Hearne visited their parents, Mr. and Mrs. J. T. Todd during the weekend.

Darlene Rains of Austin spent the weekend here with her parents Mr. and Mrs. Buel Rains.

Mrs. Ruth Wallace and Alice Lawless of Houston visited Mrs. C. E. Stubbs this weekend.

Bayer Tallies Three Times . . .

Yoemen Sweep To Victory Friday

Cameron Yoemen backs teamed together and raked in 398 yards carrying the pigskin Friday night as they toppled the Rogers Eagles, 40 - 0.

Big fullback Ernest Bayer, reached paydirt twice in the first quarter to give the Yoemen all the edge needed. Halfback Carol Fikes, in a display of broken field running tallied the next TD from 6 yards out.

Ed Lierman broke away for a 60 yard run 10 seconds before the first half ended for Cameron's third touchdown and giving them a 27-0 lead at the half.

Lierman's total yardage was 130 for a 10.8 average. Bayer totaled 146 yards for a 9.1 average. Fikes avereged 7.2 in 10 carries over a 72 yard total.

The 398 yard rushing was the best showing given Yoe fans in two years. Rogers totaled 155 yards with Ace Dyess getting 84 of them for a 6.4 average.

Bayer tallied midway through the third quarter from the 8 yardline. David Walston scored his first touchdown in the last frame from the one yardline. The 120 pound halfback averaged 6 yards per carry in 4 attemps.

Cameron setup their first touchdown play on the Rogers 15 yardline where Rogers took possession of the ball and carried it back to the 48 with Dyess getting most of the yardage.

Cameron took it on the 48. Lierman picked up 9 and Fikes missed with a pass. Big Bayer carried the ball up the middle shaking off would-be tacklers as he went for 39 yards and the first score of the night.

The extra point kick attempt was blocked.

Rogers carried the ball to the Cameron 47 where Bayer blocked a 4th down punt and the Yoe took charge on their own 32.

Lierman was stopped at the line of scrimmage and Bayer picked up 9 yards bring the skin to the Cameron 41.

BAYER SCORES AGAIN

Bayer went down the middle again, only this time for 57 yards before Dyess brought him down two yards short of the goal. A Rogers penalty brought the batlll half the distance to the line. Bayer plunged over the center for one yard and a touchdown.

A fake kick attempt resulting in a pass from Fikes to Lierman accounted for the two extra points. Cameron leads at the end of the first quarter, 14-0.

Second quarter scoring was provided by Carol Fikes. He went off left end for six yards and a touchdown. The kick by Wohleb for the extra point failed.

Ed Lierman made the run of the night with 10 seconds left in the first half. He went 60 yards up the middle for Cameron's 26th point. Roy Wohleb kicked good the Pat making it. 27-0 at halftime.

Up to this point, and throughout the game. Fikes has mixed his plays and shown ability in fake out plays that few high school quarterbacks could top. Lierman and Bayer are running with power and are getting anywhere from 3 to 10 extra yards just because of sheer hard running and shaking off tacklers.

The third quarter got underway with Chris Gay recovering a Rogers fumble. Cameron lost the ball on downs and Rogers carried to the 31 where Harbour punted out to the Cameron 45.

Three first downs brought the ball to the Rogers 8 where Bayer plunged over for another touchdown, his third of the night. The kick was blocked leaving Cameron with a 33-0 lead.

Neither team scored until the end of the last frame when David Walston, 120 pound junior trotted over from the one yardline. Fikes had carried to the one following a 30 yard run.

Stanley Kirk led the Yoe defenders, Johnnie Richter and Joe Harbor backed up Kier. Chris Gay at the guard spot was hitting hard all night and teamed with Kirk to be responsible for open holes to give the backs running room. Bobby Hillman, Eugene Schattle and Bret Shumate were other hard hitting defenders.

Perry and Brian Harbour showed up good on both defence. Rogers quarterback Jimmy Cowan and halfback Ace Dyess were the Rogers top ground gainers. H. L. Farrell was the top Eagle pass receiver.

Cameron, Hearne Consolidated See Victory Friday

Cameron, A & M Consolidated and Hearne, the three top contenders for the district title this year all saw victory Friday night.

The Yoemen stomped Rogers, 40-0; A & M Consolidated topped Madisonville, 16 - 14; and Hearne tanned Franklin, 43-6.

Rockdale lost to Georgetown, 20-8 and LaGrange swamped Caldwell, 44-0.

The Yoemen's backfield racked in 398 yards against Rogers as Ernest Bayer tallied three times to pace the Yoe. Carol Fikes put on his usual show of broken field running and handed the quarterback spot like an old pro in the absence of Jimmy Woodum.

Three of Hearne's TD's came off pass plays, two of them from Sammy Martinez to Sammy Altimore. A third went from Martinez to Grady Russell.

Russell and fullback, Larry Coe accounted for a running TD each. James Crowder and Robert Neff accounted for other Eagles tallies 18 and 3 yard sprints.

Caldwell's Hornets never had a chance against a strong LaGrange team as the Leopards befell them, 44-0.

Georgetown relied on thier passing efforts to make most of their yardage against the Tigers from Rockdale to topple them 20-8.

Halfback Daniel Yezak recorded Rockdale tally on a two yard plunge after two short sprints.

Thirty Players See Texas-Nebraska Game Friday Night

Twenty - two varsity football players and eight eighth graders left Yoe High school gymnasium last Saturday at 4:30 to attend the Texas-Nebraska football game in Austin.

Coach Billy Bates and his assistants ushered the 30 boys there and back. They got home about 12.

For many it was their first South West Conference football game. Bates plans to take the varsity players to a game every weekend and alternate with the 7th and 8th graders each time.

Alcoa Golfers Will Hold Tournament Sat.

The Alcoa Summer Golf League will hold their championship tournament Sarurday at the Cameron Country Club.

Last week Bill Morrison won first place in the league with a score of 43 minus a handicap of 10.

Frank Hyder and Jake Krall tied for second place honors. Hyder totaled 48 with a handicap of 13, and Krall totaled 44 with a handicap of 9.

Rosebud Beats AH Footballers

Coach Harrison McLerran's Jr. High football team met defeat twice last Tuesday night at the hands of Rosebud.

The 7th grade was dropped, 14-0 and the 8th graders lost, 40-14.

Coach McLerran reports that the boys are looking better and still has high hopes for the teams the boys are looking better and still has high opes for the etams progress.

The Davilla Home Demonstration Club meet September 4 with Mrs. Frances Johnson at the home of Mrs. Ray Garrett.

With eight members and one visitor Mrs. Willie Stigall, present the roll call was answered with a work simplification hing.

The minutes were read by Mrs. Lester Davis, a council report was given by Mrs. Theodore Hine.

There were only a few changes made in electing new officers as the club has been organized a short time. President, Mrs. Jack Stewart, vice - president, Mrs. Charlie Robbins; sec and treas. Mrs. Lester Davis; Reporter and council delegate Mrs. Theadore Hine. A few of the committees will be appointed later.

Mrs. Frances Johnson gave a talk on Dressing with confidence and assurance.

Cameron, Texas
September 22, 1960

You're Welcome

And You're invited to share the fun we had in bringing to Cameron some of the delightful gift ideas from the gift show in Dallas . . . There were so many exciting notions and handsome imports, it made buying a fascinating undertaking . . .

You'll want to see the sophisticated Higgins glass selection . . . handcrafted relish dishes, bonbons, ash trays and graceful compotes. Really outstanding . . . translucent blues, greens and lavenders sprinkled with gold or crafted with unique contemporary designs . . .

There are so many uses for these Higgins designs . . . gifting, bridal showers, party favors. And they are reasonable . . . from $5 . . . .

A stunning gift suggestion awaits you in our crystal department . . . the shelves are heavy with newly imported West German lead crystal, genuine craftsmanship that will make the gift giver rather sad if she doesn't get some for her own home . . .

. . . Cream and sugars . . . salt and peppers . . . footed compotes and candy jars . . . exquisitely hand cut in the traditional fashion . . . . We can hardly overenthuse about these or the price... from $2.50.

. . . Before you come in to visit, stop at the entrance window and look at the display of some wonderful silver gifts . . . There's a particularly handsome footed silver plate casserole with burner underneath . . . ornate lid handle and fancy feet that add the formal touch to the plain design of the casserole . . . How much? You'll hardly believe it is only $12.95 ...

Then there are the footed silver trays . . . cake and sandwich size, traditional lines . . . surely a fine touch for that luncheon or reception . . . they start at $10 and compare to silver trays many times this price range . . . And don't overlook the silver utility dish with Pyrex liner . . . so practical . . . so different. Pop your dish out of the oven and place in its own silver container, ready for serving . . . Beautifully practical at $15.95 . . .

Oh, there's more . . . In the other window you'll find one of the hits of the Dallas gift show ... another import from Italy . . . gold filigree jewelry . . . lacey design, delicate gold work throughout the collection of pins, bracelets . . . one of the really nice personal gifts available in Central Texas.

And while you're shopping for that birthday gift, ask about the handsome Parker pens . . . we have one remarkable model that is self filling and won't spill a drop . . . There's another called "45" with a cartridge filler . . . both are absolutely brand new ... The man of the family will enjoy the masculine silver and silver-black colors . . . the sureness of the Parker point . . . From $5.

Our invitation wouldn't be complete if we forgot to mention the Denby English Stoneware . . .several handsome patterns in 16-piece starter sets and individual pieces . . . compare these patterns at these prices . . . from $19.95 the starter set.

You will want to see the lovely things . . . bright and new for the fall season.

Business Women Hear Program On Career Advancement

The Business and Professional Women's Club heard a program on Career Advancement sponsored by Miss Lois Randolph Monday ev ening when the club met at the home of Mrs. Hinton Pruitt.

Guest speakers on Miss Randolph's program were Miss Lanette Laffere and Miss Sandra Baskin who told of their working experience as volunteer summer employees at the Veterans Hospital in Temple. Miss Laffere and Miss Baskin were among several Cameron girls who assisted at the hospital as junior nurses.

Plans to celebrate National Business Womens Week, October 2-8, were discussed and arrangements made to open the week with a dinner at The Texan October 3.

Members also discussed fund raising projects for the club house which they plan to build south of City Park.

Following the meeting Mrs. Pruitt served a congealed salad, punch and cake.

Mrs. Hanel Hosts Cameron HD Club

The Cameron Home Demonstration Club met at 2 p. m. in the home of Mrs. Lawrence Jetter with Mrs. Frank Hanel as hostess.

Mrs. Frances Johnson, home demonstration agent, gave an interesting discussion on the subject "Dressing with confidence and assurance . . . ." All members are urged to make their annual report and bring to next meeting.

New officers for 1961 were elected as follows:

Mrs. Frank Hanel, president; Mrs. Frankie Ehler, vice-president; Mrs. Charles McDermott, secretary - treasurer; Mrs. Earl Angell, Council delegate.

Refreshments of cake and punch were served to the 12 members and one visitor.

Mrs. A. Mondrik Hosts DAR Meet

The Sarah McCullen Chapter of the Daughters of the American Revolution met on Thursday, September 15 with Mrs. Alvin Mondrik as hostess. Nine members were present.

The meeting was called to order by the Regent, Mrs. D. E. Currie of Lott. The ritual was read and the Pledge of Allegiance was given.

Mrs. Currie, in charge of the program, gave an enlightening talk on the Constitution from books by Anna H. Bailey and Mark van Doren.

After refreshments the meeting was adjourned.

Road Improvement Apparent

Driving around Milam County these days, we see signs of improving roads, farm-to-market, state and federal highways.

Around Thorndale, there is improvement work underway on US 79. On FM Rd. 486, two new bridges span Little River. The new span of US 77 between Minerva and Rockdale has been completed several months now. And work is planned on US 79 east of Gause.

Other work continues on farm-to-market roads around the county.

This record speaks well for the co-operation of the county officials, chambers of commerce and the State Highway Department. Millions of dollars worth of road improvements have been or are being made in Milam County.

And still more road projects are on the planning boards of state highway engineers.

Procuring right-of-way is a continuing problem as these projects await clearance for the final go-ahead.

Milam County can be proud of the success of its road building record during the past two years. Another two years of similar achievement will find this county in the best status in roads in many years.

We congratulate the efforts of all those men who have brought about these road improvements and the co-operation of countians who have assisted in boosting road building progress in Milam County.

Communists Start Their Act . . .

Nikita Khrushchev, Fidel Castro and a communist cast of hundreds went into their act this week at the UN in New York.

Tone of the UN sessions on disarmament was set by the chilly welcome, or lack of it, for Khrushchev upon his arrival. No official of city, state or nation met the fiery little dictator at the boat.

Meanwhile Castro was having trouble with his hotel accomodations and moved his large party out into a Harlem hotel. The hotel officials said it was a propaganda move after a question of pre-payment of a bond for breakage came up.

The whole atmosphere was electric. Communist leaders, except those from Red China, gathered for pre-UN sessions in a caucus of Red leadership. It looked like a Communist Summit.

The State Deparmtent officially failed to recognize Khrushchev's arrival since he is acting as head of the Russian UN delegation. He is still confined for safety reasons to Manhattan. We wonder for whose security.

It appears that Khrushchev has muffled before he can start his big roar. He could hardly expect less after the May Summit explosion and Communist rifts in Japan, both involving President Eisenhower.

Little, if any accomplishment toward disarmament can come out of such tensions. And from past experience, UN members can expect to hear Khrushchev rant and rave about a disarmament Russia would hardly keep.

Texans To Make Other Decisions

By Vern Sanford

AUSTIN — With all the hoopla over the national elections, many Texans may get to the polls Nov. 8 before they realize they have other important decisions to make that day.

Four proposed amendments to the Texas Constitution will be voted on at the general election. Voting to approve or reject alternations in the state's basic law is one of the most important responsibilities a voter has. It is the average citizen's one and only opportunity to participate directly in the lawmaking process.

Here, in brief, are the proposed amendments (in the order they will appear on the ballot) and what they would do.

AMENDMENT ONE

Would authorize creation of special hospital districts in Lamar County, Hidalgo County and Commissioners Precinct No. 4 of Comanche County.

Approval of this amendment would not actually create these hospital districts, but would give local voters authority to do so in a local election.

A mendments such as this one, which apply only to the areas specifically mentioned, usually are passed on the grounds that they give local voters authority to take care of local affiars. Since it is permissive rather than mandatory, local voters can decide for themselves whether they want to carry it through.

Some argue against such amendments on the grounds that such details as this should not be added to an already overly - long Constitution.

AMENDMENT TWO

Would permit a rate of interest not to exceed 3½ per cent on bonds issued hereafter for the benefit of the Veterans Land Fund. Present constitutional ceiling is 3 per cent.

Veterans Land Board is authorized by law to sell bonds and use the money from these sales to buy land which is re - sold to qualified Texas veterans. Law provided for the sale of $200,000,000 in bonds, but the Board has not been able to sell the last $62,500,000 of these bonds because in today's market, 3 per cent interest does not make them an attractive investment.

Financial experts think that raising the permitted interest rate to 3. per cent should be sufficient to make the bonds salable again.

AMENDMENT THREE

Would change the pay scale of members of the Legislature to give them annual salaries of $4,800 plus $12 a day for each day in session. It would limit regular sessions to 140 days (present limit is 120 days). Lawmakers would receive $12 a day for each day of a 140 day regular session plus $12 a day for each day of a 30-day special called session.

At present, legislators receive no annual salary. They get $25 a day for each day, up to 120 days, of the regular session plus $25 a day for each day of a 30-day called session. They receive no pay in years the Legislature does not convence (sunch as 1960). Under this proposal, they would receive $4,800 a year base pay whether they spent any time in session or not.

Present provisions for travel expenses would not be changed. These provide for the lawmaker to receive $2.50 for each 25 miles of the round trip between his home and Austin once each session.

This amendment is essentially a compromise between the present arrangement and the constitutional change proposed in 1958. Last time the proposal was for annual salaries of $7,500 and no per diem. It also provided for annual sessions which, any think, contributed to its defeat.

Proponents of the current plan say that it will make it possible for better qualified people to serve in the Legislatue without having to make so much of a personal financial sacrifice to do so.

Opponents argue that it will create "professional legislators". They contend that it is better for the lawmaker to have another job in private life to keep him closer to the problems of the people.

If the amendment is passed, a Texas legislator would receive for his two - year term of office minimum pay of $9,600. In other states, the pay for a two - year term ranges from $200 in New Hampshire to $15,000 in New York

AMENDMENT FOUR

Would give the Legislature authority to classify loans and lenders, to license and regulate lenders, to define what part of the charge made on loans should be considered interest and to fix the maximum rate of interest which should be charged.

This is generally known as the "anti - loan shark" amendment and is being supported by a blue ribbon committee of citizens from over the state.

At present the Constitution provides that the maximum rate of interest shall be 10 per cent. This is widely, almost universally, violated by the small loan industry, usually through additional charges besides the interest --"handling charges, service charges,", etc.

Attorney General's department investigations have turned up cases of flagrant abuses by loan companies, making charges that totaled altogether as much as 300 percent of the amount loaned. On the other hand, the investigators themselves admit that a loan company making short - term, highprisk personal loans cannot stay in the black on 10 per cent.

If this amendment is passed, it will be up to the Legislature to decide what is a fair charge. Even those legislators who voted for this proposal admit they dread the prospect of having to decide what rates are fair.

LITTLE RIVER PHILOSOPHER

New Law On Disc Jockeys Offer Little Relief To Listening Public

Dear editar:

With the world fraught with danger, I feel sort of guilty thinking about something frivolous, but if Congress can do, it, I guess I can too.

What I'm talking about is a new bill passed by the last session of Congress and just signed by President Eisenhower making it against the federal law for a radio dis jockey to accept undercover pay to play a phonograph record over the air.

When I first read this article hurriedly, I thought it meant it was against the law to play some of these so - called popular records over the air, and I thought, well, now, Congress is making progress, but when I read it closely I discovered it's still perfectly all right to play the things, just so the record - maker or the songwriter or the publishing company doesn't pay you something extra to do it.

This is not what I call progress. I didn't think the crime was in taking money for playing them, I thought the crime was in playing them in the first place, but that.s not the way Congress voted. You can still get off scottfree for playing them, provided you do it for nothing.

Congress missed the boat. What it needs is a bill making it against the law to put a nickle in a juke box if what's going to come out comes out, if you follow me. On the radio, you can turn the thing off white the guitar player hollers for his lost love, but in a cafe, you're stuc.k

On the other hand, a lot of people must like these records and who am I to disagree with them? I don't know any more about music than I do foreign affairs. All I know is that if I was a disc jockey, I'd sure want some extra money to play some of that music over and over, day after day.

Yours faithfully,

J. A.

Plans were announced for dedication of the First Methodist Church by the minister, the Rev. J. W. Mills. The ceremonies came at the conclusion of a debt paying campaign at the Cameron church. Dedicating the church was Bishop A. Frank Smith.

The following letter was printed in the Sept. 26, 1940 issue of the Cameron Herald:

Edinburgh, Sept. 20, 1940

Mayor, Cameron, Texas:

The Camerons of Scotland salute the towns folk of Cameron, Texas. We are delighted and proud to learn that one of the destroyers is to bear the name Cameron. It is a reminder of the enduring friendship of USA and Britain and of the common interest in the fight for freedom. All Britian is grateful to the people of USA for their help and the Camerons are thrilled by the knowledge that a Cameron from the United States will join in destroying on the seas the arch enemy of freedom.

Mayor U. S. Herrall warned the patrons of the telephone company to "pay only for the reasonable value of telephone service" and registered a formal protest with the manager of the telephone company in Dallas.

A committee of Cameron businessmen secured storage and a watchman for part of the big cotton crop being brought in by county farmers. Included in the committee of businessmen were T. S. Henderson, A. N. Green, George T. Graves, Robert McLane, J. C. Joseph, L. T. Lewis and J. W. Coleman.

Chambers - Hefley Ford Motor Company announced price reductions of 31 per cent on Ford Automobiles. The Ford Motor Company of Detroit says it is a move to re-establish prewar prices.

"With this issue of the Herald Mr. J. R. Hays of Corsicana well known and widely experienced newspaper man becomes advertising manager and assistant to the management. Mr. Hays has made a study of the business and is an authority on advertising and general newspaper publication and printing. It is with genuine pleasure that the management makes this announcement."

I Give You Texas

By Boyce House

When I was a boy, inflammatory -- or crusading, depending on your point of view -- weeklies flourished. One was called "The Yellow Jacket" and it lived up to the name. Another was called "The Appeal to Reason." (Foes called it "The Appeal to Treason".) It devoted many columns of space to a dynamiting case and I can recall the rather rhythmic grouping of the names of the three defendants: Haywood, Moyer and Pettibone.

—

Powell is only a village. You'd never dream that it was once the scene of a big oil rush. It was in January, 1932, that deep production was struck and, in May of that year, front pages of the nation's press told of the J. K. Hughes No. 1 McKie, which blew in for 8,000 barrels a day, caught fire and burned for 11 days. Hundreds of wells were drilled in succession. The peak year saw over 33,000,000 barreis produced. Then the field declined repidly.

—

Early one summer morning a year or so ago, I saw -- in a city -- a chunk of ice on the sidewalk in front of an office door which was locked. There was a time, before electric refrigeration, when that was a common sight.

—

The poet, Richard LeGalline, was lamenting that he would never be able to write a best-selling novel, such as those written by Hall Grain and Marie Corelli. He declared, "It's no use; you can't fake it -- bad writing is a gift."

—

There was a man who went about a city dressed in old clothes He was reputed to be rich but he lived like a miser. He was jeered by children as he walked along. When he died, it was found that he was indeed rich -- and he had left his entire fortune to establish free schools, and so the children gave their pennies to build a statue; and each year, on his birthday, they decorate the statue with flowers.

—

Just behind the bus station in Corsicana, there is a pumping oil well.

A folksy expression: "I've heard tell of it." And another, which a writer sometimes hears when he meets someone for the first time, "I've read after you for years."

A&M Mothers Clubs Stress Scholarships

In their initial meeting for the year 1960 - 61 the Executive Board of the Federation of Texas A & M Mothers Clubs voted unanimously to head their list of projects for the year with the raising of money for scholarships to be awarded to deserving students from all parts of the State.

The meeting was held September 17 in the Birch Room of the Memorial Student Center on the campus at College Station.

The group was addressed by Everette E. McQuillen, Executive Director of the Development Fund, who explained how the Federation Scholarships might be handled.

Presidents of local Texas A & M College Mothers Clubs from many sections of the state attended the meeting along with twelve Federation officers.

Buckholts PTA Hold First Meeting For 1960-'61 School Year

The Buckholts PTA held its first regular business meeting of the current school year on Sept. 14 in the gym. Mrs. Fred Gresak, vice-president presided in the absence of the club president, Mrs. Inge.

Mrs. John Burtis welcomed the teachers followed by an introduction of the teachers by J. W. Perry, head of the school faculty.

Teachers for this year include: J. W. Perry, Gene Byers, Arnett Zelisko, Robert Kelly, Lester Hanke, Jimmie Hawk, Wilma Wittington, Mary Walschak, Stella Chamberlain and Lydia Roberts.

The highlight of the evening was a speech made by Perry on the prime topic being stressed in school on "Truthfulness."

A social followed the business meeting, cookies and punch were served by Mrs. Leon Kleypas, Raymond, Wall, Adolph and Waymond Gresak, Joe Glaser,. Bill S. Raney and Carl Gonten.

—

The next meeting will be at Mrs. Lester Davis September 28. The program for that day will be hat making.

TELEPHONE TALK

by C. L. Carson, Manager

HAVE YOU SEEN THE PRINCESS?

In my July column I told you about a brand new telephone that was being introduced to the public for the first time in towns we serve throughout the state. It's called the Princess phone.

Since introducing the Princess, many of our customers here in Cameron have commented on its beauty and smart styling and have ordered one or more for their home. This lovely little phone takes so little space on a living room table, a kitchen counter or bedside table. You can use it as a soft night light and the dial lights up brightly when you lift the receiver. Choice of five lovely colors.

Why not call the telephone business office OX7--4601 and let us tell you about it or better still stop by our office. Mrs. Barron or Mrs. Rentchler will be glad to demonstrate this new exciting telephone, or ask a telephone serviceman to show it to you.

PHONE CALLS IN THE SKY

Want to attend the 1964 Olympic games? You may not be able to attend in person, but there's a chance you could get the games beamed "live" right into your living room . . . by way of satellites thousands of miles away in the sky!

This may or may not be possible by 1964. But one thing for sure, these dreams of a few years ago are now a giant step closer to reality.

Bell Telephone Laboratories scientists and engineers have just taken this step by successfully bouncing a phone call across the country, via a 100-foot sphere of alumnized plastic that orbits the earth one thousand miles high.

Sponsored by the National Aeronautics and Space Administration, "Project Echo" relied heavily on telephone science for its fulfillment.

A Delta rocket carried the defalted sphere into space and released it for inflation. The rocket was steered into a precise orbit by the Bell Laboratories Command Guidance System. This is the same system that recently guided the remarkable Tiros I weather satellie into its near-perfect circular orbit.

To pick up the signals, Bell Labs created a receiver that is uniquely free from interfering radio noise. Signals were also strongly protected from noise by a special FM receiving technique invented at Bell Labs.

"Project Echo" holds out bright promise for the future. It foreshadows the day when numerous man-made satellites might be in orbit all around the earth, acting as 24-hour-a-day relay stations for TV programs and telephone calls between all nations.

This experiment shows how private enterprise can help advance space communication. Just as the Bell System pioneered in world-wide telephone service by radio and cable, so we are pioneering now in using outer space to improve communications on earth. It's a natural part of our job, and we are already a long way toward the goal.

Call by number. It's twice as fast.
